

Area 2 Participants,
Just a few notes about the facility.

PARKING - there will be designated spots in the back and the front of the facility. The attendants will lead cars to the back first and fill to the front. Overflow parking will be on Oviedo Blvd in front of the facility. There will also be an exit in the back of the facility.

TENTS - Space is provided in the parking lot in front of the pool as well as the grass field behind the pool. Teams will be allowed TWO tents inside the pool fence. The facility is limited to 26 tents max so if you have a tent inside the fence, it will be designated as a tent for the entire team.

FOOD - Coolers are allowed. There will be a concession stand inside and outside the building as well as Kona Ice. With temperatures sure to be high, please hydrate and limit sun exposure.

Bathrooms are located inside and on the exterior of the Gym.

We are looking forward to a weekend of fast swimming!

Thank You and good luck!
