Clubs may enter as many relays as desired. However, only two (2) relays per club will score and can receive awards.

**Meet Format:**

Meet management reserves the right to adjust course breakdown and warm-up times based on number of entries. Meet Management also reserves the right to move an age group to another session based on the timeline and number of entries. Meet management reserves the right to utilize two courses, up to 10 lanes each for competition for any events as described below. Meet management reserves the right to insert breaks in the meet where necessary to allow athletes proper rest.

The host club may request timers from visiting clubs.

Lane assignments will be made for each preliminary session. All SCLSC and USA Swimming safety guidelines will be enforced.

All events, except those noted on the itinerary and below, will be conducted as Preliminary/Finals events with three heats of ten (10) returning for finals. The "C" heat for finals shall be a dedicated 16 & Under only heat. Heats will be contested in finals in the following order: "C" (protected 16 & Under heat), consolation "B" heat, and championship "A" heat.

The names of swimmers in each "A" championship heat will be attempted to be announced prior to the start of the event. The Meet Management committee will evaluate the timeline and determine whether names of swimmers in the "B" and "C" heats are announced when the swimmers are behind the blocks or whether they will be announced as swimmers are in the water.

The meet will be conducted according to this meet information and the SCLSC Policies and Procedures. A swimmer that misses their assigned heat will not be entered into another heat of that event unless circumstances are beyond the swimmer's control as determined by the meet referee and the swimmer may be allowed to swim.

Seeding will be done in order of SCY times, SCM times, and then LCM times. Times may not be converted.

The women's 1650 Freestyle and the men's 1000 Freestyle will be deck seeded and require a positive check-in thirty (30) minutes before the start of the session. These will be contested as timed finals events with the heats swum fastest to slowest and alternating women then men.

The 400 Individual Medley and 500 Freestyle events will be conducted as Preliminary/Finals events. These events will be deck seeded with the top two (2) women heats swimming (slow to fast, circle-seeded), followed by the top two (2) men heats (slow to fast, circle-seeded), and then the remaining heats will be competed alternating women then men, fast to slow. If two pools are utilized for these events, they will be contested as listed without alternating heats women and men as one gender will be in one pool and the other gender in one pool. There will be no "C" final events for these events.

The women's 1000 Freestyle and the men's 1650 Freestyle will be deck seeded and require a positive check-in thirty (30) minutes before the start of the session. These will be contested as timed finals events with the heats swum fastest to slowest and alternating women then men at the end of the preliminary session. The top heat of each event will swim at finals.

All relays will be at the end of Finals sessions. All relays will be deck seeded after positive check-in on the day of the relay. Positive check-ins for relays at night will close at the end of the preliminary session the day of the event.

Relay teams must meet the relay standard with aggregate times, if using swimmers not qualified in an individual event.

**Scratch Rule:**

Swimmers who do not intend to swim an event or must scratch down to the three events per day limit (8 total for the meet) or need to make room for a time trial should scratch by the indicated deadline. Scratch cards should be completed and deposited in the scratch box at Clerk of Course by the appropriate deadline.

There will be no penalty for not swimming in the seeded preliminary events 200 m or less or relays; it would be appreciated if a coach would inform Clerk of Course of any swimmers or relays scratching from the meet (SC Swimming Policies and Procedures XI.B.16.c).

The penalty for missing a deck-seeded event will result in being barred from the swimmer's next individual event. (SC Swimming Policies and Procedures XI.B.16.d)

Any swimmer not planning to swim during a finals session must scratch so those swimmers who would like to swim again may do so. The penalty for failure to show in a final or consolation final is being barred from the remainder of the meet (SC Swimming Policies and Procedures XI.B.16.e).

Exceptions for failure to compete – no penalty shall apply for failure to report or swim an event if (1) the meet referee is notified in event of illness or injury and accepts the proof thereof, (2) a swimmer qualifying for a final based upon the results of preliminaries notifies the meet referee within thirty (30) minutes of the announcement of the qualifiers for that final event that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event, (3) a swimmer qualifying for a final event, as a result of scratches following announcement of the qualifiers based upon the results of preliminaries or failure of a qualifier to swim, or (4) if it is determined by the meet referee that failure to compete is caused by circumstances beyond the control of the swimmer

**Swim Offs:** It is the coaches' and swimmer's responsibility to check for ties leading to swim-offs. Swim-offs will be swum immediately following the preliminary session or not more than 45 minutes after the last heat of any event in which any one of these swimmers is competing in that session. Any swimmer absent for a swim-off will be dropped to the lower place.

**Time Trials:** Time Trials will be conducted after preliminaries, and/or after finals at the discretion of the Meet Referee. On the final day of the meet, any event longer than 500 yards will *not* be available for time trials. Time Trial fees must be paid upon entry at the Clerk of Course. Each swimmer swimming in a time trial is required to provide their own timer.

**Time of the Meet:** All preliminary warm-ups will begin at 7:30 AM. All preliminary competition will begin at 9:00 AM.

Finals warm-ups will begin at 4:00 PM on Friday and Sunday; finals warm-ups will begin at 3:45 PM on Saturday with the Senior Recognition beginning at 4:45 PM. All finals competition will begin at 5:00 PM.

Meet management reserves the right to adjust warm-up and meet start times based upon the number of entries and timeline of the meet. Clubs will be notified of any changes in the timeline via e-mail.

SC Swimming does not accept deck registrations. All swimmers entered must be registered at time of entry deadline.

All times must be listed to the 1/100th of a second. Entries must be submitted using a South Carolina State Meet Qualifying short course yard or long course meters time. Times must have been achieved on or after January 1, 2022, and prior to the entry deadline.

For all individual events, proof of time is necessary. Entry times will be checked against the SWIMS database. For these events, the meet entry coordinator will provide the LSC with a printout of the times that will need to be proved prior to the seeding of the meet.

In all SCLSC Championship Meets, nonconforming time entries shall be sent to the club by electronic mail (e-mail). The club shall have the opportunity to correct the entry if done so within 24 hours from email time stamp.

The meet host of the SCLSC State Championships shall post a preliminary meet psych sheet within 72 hours following the meet entry deadline. Coaches will then have 48 hours upon notice of the posting to review the psych sheet and notify hosting club of any corrections. Coaches cannot change athlete's events or times once entries are received by host club (except as currently stated in the P&P where non-conforming times can be changed within 24 hours of notification by the host club to the athlete's coach). Only omissions can be corrected at the published cost of the event.

Clubs should submit a single check payable to South Carolina Swim Club MPSC-PA for the full amount due. All fees must be paid prior to any swimmer entering the pool. Entry fees for events not swum will not be refunded nor will a credit be given.

Please use swimmer's full name, age, and sanctioned short course yard, short course meters, or long course meter times. Only entries using Standard Data Interchange (SDIF/SD3) format will be accepted. Clubs or individuals not submitting entries electronically will be subject to a \$10.00 per swimmer entry surcharge.
